

Fullriver 5-Year Solar Warranty

LIMITED COMMERCIAL SOLAR/RE WARRANTY POLICY

Fullriver Battery will provide a 5-year limited warranty to the original purchaser for Fullriver DC series deep cycle batteries used in approved commercial Solar PV and other commercial renewable energy applications. The first two years of this limited warranty are a free replacement period. The remaining three years are pro-rata. This limited warranty applies to batteries sold after September 1st, 2014. Copy of purchase invoice must be provided.

The Fullriver 5-year limited warranty covers any battery 85 Ah capacity or higher; 2 volt, 6 volt, 8 volt, and 12 volt models. The limited warranty covers batteries that become unusable and unserviceable due to defects in material and/or workmanship. This limited warranty applies to the original purchaser of the battery; is non-transferable.

The Fullriver 5-year limited solar warranty starts from the date sold and applies only to batteries sold in commercial solar and other commercial renewable energy applications*. During the free replacement period, Fullriver Battery will replace or repair the defective battery with one of equal or greater value.

This limited warranty shall not apply to failure in service caused by fire, flood, freezing, explosion, wreckage, abuse, neglect, unauthorized modifications or alterations, or

installation of smaller size capacity battery than is required. This warranty does not cover battery damage from shipping, loose wiring, reverse polarity installations, over-discharging or overcharging, nor breakage of containers, covers, or terminal posts. This limited warranty does not cover any non-residential applications that utilize solar components including, but not limited to, marine or recreational vehicles.

This limited warranty does not cover the cost of any ancillary expenses including, but not limited to, transportation, shipping, service calls, battery installation, recharging, or use of rental batteries.

Fullriver Battery will not be responsible for electrical system tests, loss of time, loss of equipment use or any other expenses which can be considered incidental or consequential damages.
